

# MODULAR SERIES

## FRONT LOAD CHANGE MACHINES

# MC720-CC

The new MC720-CC is a versatile front load change machine that accepts both credit cards & cash, and dispenses tokens. This new design features an LCD display that offers instructions and feedback to the customer and choice of 4-Button "Package" payouts, or 3-Button "Pulse" payouts – in which the owner can customize the price and number of tokens dispensed.

## The Best Technology & Construction in a Low-Cost Solution

The MC720-CC Series combines Standard's high quality cabinet and component construction with our new *Smart Hopper* technology. All this in a simple-function, low cost solution!

The Modular Series' *Smart Hopper* Technology allows programmability in the field without the use of any handheld device.
